

As a leading manufacturer of lawn and garden hoses, Flexon Industries proudly introduces its new line of flower pots and planters. These durable plastic containers offer the look of clay, cement and ceramic pottery but designed to be lightweight and easily portable.

We offer a variety of flower pot styles including window and deck boxes, urns, glazed two-tone planters as well as wire baskets and stands. In addition, Flexon's flower pots and planters are available in various sizes and colors to complement the decor of any home or garden.

With such a wide selection to choose from, Flexon's line of flower pots and planters are sure to be the perfect accent to your porch, patio or deck.
